

Project Director

Location: Shenzhen

Starting date: ASAP

Job Reference: CDS - 2024 – 056

Report to: Mobile Division President & Hong Kong General Manager

Candidature Preference: International profiles

ABOUT THE COMPANY

Our client is a prominent global firm specializing in mobile and gaming accessories. With a presence in Europe, they are a rapidly growing international company seeking a skilled individual to join their sourcing and development team.

MISSION

Our client is seeking an experienced Project Director, managing a local team and overseeing sourcing and development strategies across multiple departments and brands. This role requires a strategic leader who excels at supplier management, product development, and operational efficiency in a cross-cultural environment.

RESPONSIBILITIES

- **Division Leadership:** Guide the Department by managing functional and portfolio budgets across multiple departments and brands, ensuring sustained year-on-year savings.
- **Supplier Management:** Collaborate with a large panel of suppliers, ensuring commitment and performance. Improve delivery times and enhance the Quality Control pass rate, maintaining strong relationships with key partners.
- **Procurement Strategy:** Develop and implement effective procurement strategies to expand the division's portfolio annually while ensuring cost savings across all categories.
- **Innovation Spearheading:** Through industry intelligence and contact, keep on watch and promote innovative technologies and solutions.
- **Product Development:** Manage all aspects of Product Development from initial stage to after-sales, leading and coordinating teams to deliver on-time, on-specs and on-budget.
- **Quality Coordination :** Implement quality guidelines with the local team and suppliers to ensure safety, performance and outstanding user experience.
- **Strategic Reporting:** Provide quarterly purchasing reports to senior management, offering actionable recommendations for optimizing financial savings and improving supply chain performance.
- **Team Management:** Recruit, train, and manage a diverse team of professionals. Ensure a collaborative working environment with strong communication with other offices in France and Hong Kong.

With over 10 years of experience, CCI FRANCE CHINE Recruitment Department supports companies in their recruitment needs and helps candidates find a professional opportunity across China.
